# State Auditor's Report

THE COMMONWEALTH OF MASSACHUSETTS  
DEPARTMENT OF CORPORATIONS AND TAXATION

Bureau of Accounts

State House, Boston 33

JOSEPH P. HEALEY, *Commissioner*

HERMAN B. DINE, *Director of Accounts*

September 26, 1958

To the Board of Selectmen

Mr. Anthony E. Allegrezza, Chairman

Milford, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Milford for the period from December 1, 1956 to April 14, 1958, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Director of Accounts.

Very truly yours,

HERMAN B. DINE,  
*Director of Accounts*

HBD:EM

---

Mr. Herman B. Dine

Director of Accounts

Department of Corporations and Taxation

State House, Boston

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Milford for the period from December 1, 1956, the date of the previous examination, to April 14, 1958, and submit the following report thereon:

The records of financial transactions of the several departments receiving or disbursing money for the town or committing bills for collection were examined and checked for the period of the audit.

The books and accounts in the office of the town accountant were examined and checked. The recorded receipts were verified by comparison with the treasurer's books and with the records of the several departments making the original charges. The disbursements, as recorded, were checked with the selectmen's warrants and with the treasurer's books.

The appropriations, loan authorizations, and transfers voted by the town, as shown by the records of the town clerk, as well as the transfers from the reserve fund authorized by the finance committee, were checked with the accountant's ledger. The ledger accounts were analyzed, and a balance sheet showing the financial condition of the town on April 14, 1958 was prepared and is appended to this report.

The books and accounts of the town treasurer were examined and checked. The recorded receipts were analyzed and compared with the records of the several departments making payments to the treasurer and with other sources from which money was paid into the town treasury. The disbursements were compared with the selectmen's warrants authorizing the treasurer to disburse town funds and with the accountant's records.

The footings of the cash book were verified, and the treasurer's cash balance on April 14, 1958 was proved by reconciliation of the bank balances with statements furnished by the banks of deposit, by verification of United States treasury bills, and by actual count of the cash in the office.

The payments made on account of maturing debt and interest were verified by comparison with the amounts falling due and with the cancelled securities and coupons on file.

The savings bank books and securities representing the investment of the trust, investment, and retirement funds in the custody of the town treasurer were examined and listed, the income being proved and all transactions being verified. The balance in the retirement fund was verified by reconciliation of the bank balance with a statement furnished by the bank, and by actual count of the cash in the office.

The tax title deeds on hand were examined and listed, the amounts transferred from the tax levies to the tax title account

were verified, and the tax titles as listed, were compared with the records at the Registry of Deeds.

The records of payroll deductions for Federal taxes, the purchase of savings bonds, Blue Cross and Blue Shield, and group insurance were examined, the payments to the proper agencies being verified.

The books and accounts of the tax collector were examined and checked in detail. The accounts outstanding at the time of the previous examination, as well as all subsequent commitment lists of taxes, excise, and assessments, were audited and reconciled with the warrants of the assessors committing the accounts for collection.

The collector's cash books were footed, the payments to the treasurer by the collector were checked with the treasurer's books, the recorded abatements were compared with the records of abatements granted by the assessors, and the outstanding accounts were listed and reconciled with the ledger controlling accounts. The collector's cash balance on April 14, 1958 was proved by actual count of the cash in the office.

Verification of the outstanding accounts was made by sending notices to a number of persons whose names appeared on the books as owing money to the town, and from the replies received it appears that the accounts, as listed, are correct.

The records of licenses and permits issued by the selectmen and the town clerk, as well as by the police and health departments, were examined and checked, the payments to the State and the town being verified.

The surety bonds of the officials required by law to furnish them were examined and found to be in proper form.

In addition to the departments mentioned, the books and accounts of the sealer of weights and measures, and of the public welfare, veterans' services, school, library, and cemetery departments were examined and checked, the payments to the treasurer being verified.

Appended to this report, in addition to the balance sheet, are tables showing reconciliations of the treasurer's, collector's, and

town clerk's cash, summaries of the tax, excise, assessment, tax title, and departmental accounts, as well as schedules showing the condition and transactions of the trust, investment, and retirement funds.

On behalf of my assistants and for myself, I wish to express appreciation for the cooperation extended by all town officials while engaged in making the audit.

Respectfully submitted,

WILLIAM SCHWARTZ,  
*Assistant Director of Accounts*

**ANNUAL TOWN MEETING, MARCH 12th 1958**

**Commonwealth of Massachusetts**

Worcester, ss

Milford, March 12th, 1958

The meeting was called to order by Moderator Curran at 8 P.M. The following Monitors were appointed:

At Large — Edward C. Carroll  
Precinct 1 — J. Frank Cahill  
Precinct 2 — Joseph L. DeLuca  
Precinct 3 — William F. Fitzpatrick  
Precinct 4 — Clement Moran  
Precinct 5 — John C. Usher

An election was held in Precinct 4 to fill a vacancy and Robert E. Blessington, 3 Lawrence Street was elected until March of 1959.

The Town Clerk read the warrant and the officer's return thereon, after the Monitors reported 191 persons present at the town meeting.

Article 1. The following resolutions were presented under this article:

### **Resolutions**

WHEREAS, the Town Meeting has learned with regret and sorrow of the death of Mrs. Thelma E. Aldrich, and

WHEREAS, Mrs. Aldrich, a constant attendant at these meetings since her first election as a member, exemplified the spirit of a real citizen by being conversant with, and voting upon every issue to come before this meeting, and

WHEREAS, by her passing, this meeting and the community has lost a devoted servant,

THEREFORE, BE IT RESOLVED, that as a symbol of our respect that the business of this meeting be suspended and that we stand in silent tribute to her memory, and

BE IT FURTHER RESOLVED that a copy of these resolutions be sent to her family and that these resolutions be published in the next annual Town Report.

For the Committee,

ANTHONY E. ALLEGREZZA

### **Resolutions**

WHEREAS, the Town Meeting has learned with regret and sorrow of the death of its member Leo M. Gallagher, and

WHEREAS, Mr. Gallagher through his attendance at these meetings rendered a service to the town in keeping with the spirit of good citizenship,

THEREFORE, BE IT RESOLVED, that as a mark of respect to his memory that this body stand in silent tribute, and

BE IT FURTHER RESOLVED, that a copy of these resolutions be sent to his family and that these resolutions be published in the next annual Town Report.

For the Committee,  
MARCO A. BALZARINI

### **Resolutions**

WHEREAS, the Town of Milford has learned with regret of the death of its Town Meeting member, Edward J. Reynolds, and

WHEREAS, Mr. Reynolds, as a member of many years standing, by his attendance at these meetings rendered a service to the Town in keeping with the spirit of real democracy, and

WHEREAS, by his passing the Meeting and the Town has lost a real servant.

BE IT THEREFORE RESOLVED, that our respect be tendered in his honor by having the business of this meeting suspended while we stand in silent tribute to his memory and,

BE IT FURTHER RESOLVED, that a copy of these resolutions be forwarded to his family and that these resolutions be published in the next annual Town Report.

For the Committee,  
JOHN P. PYNE

The assembly stood in silence in respect to the passing of the former members.

It was voted that the Town continue the Personnel Board appointed by the Board of Selectmen under authority given at the Special Town Meeting, September 17th, 1957 under Article 1.

### **Town Meeting Progress Report Special Police Committee**

Mr. Moderator:

I wish to give a partial report on the progress of your committee for the investigation of possibilities for the construction of a new police station. Your committee has five members: Joseph Di-Batista, John McGrath, Herbert C. Davis, Francis Bodio and John C. Lynch, Jr., Chairman.

### *Items Considered*

1. We have looked at seven local sites centrally located in down town area. Assessed values of all properties are cataloged.
2. Out of Town surveys of police stations were conducted in Wellesley, Natick, Framingham, and Walpole for station facilities and equipment.
3. We made detailed inspection of the Milford Police facilities and equipment.

The majority of the members of this committee feel something should be done to improve the operations of the Milford Police Department.

### *Items to Be Considered*

1. This committee does not have sufficient information to complete this report and we need additional time for this work.
2. Recent construction at the Milford Industrial Park area and the new Bettinger Corporation plant are factors that have created new police problems which your committee feels it should investigate further.
3. The new highway route 110 which will be constructed through part of Milford will have additional traffic problems for the Milford police and your committee wishes to get current details from our State Representatives John F. X. Davoren and Nathan Rosenfeld.
4. In order to round out the committee report it will be necessary to co-ordinate the State regulations with our final recommendations to this town meeting. We hope to get information on this phase from our State Senator and State Representatives.

Respectfully submitted,

(Signed) JOHN C. LYNCH, JR., *Chairman*

March 12, 1958

Voted: That the report be accepted and Committee extended for another year.

### **Report of World War II Memorial Committee and Korean War Memorial Committee**

Your combined committees recommend that the Chairman of these combined committees insert an article in the Warrant for the next Special Town Meeting or Annual Town Meeting, seeking the transfer of the balance of the Post War Rehabilitation Fund to a fund to be called the World War II Memorial and the Korean War Memorial Fund. Said fund to be expended only by vote at a Special or Annual Town Meeting.

Your combined committees further recommend that these committees be continued to further investigate, from time to time, the possibilities of erecting a suitable Memorial to honor the memory of our Veterans of World War II and the Korean War.

Respectfully submitted,

(Signed) ANGELO J. ROBERTI,  
*Chairman*

Voted: That this report be accepted as one of progress and that the committees be continued with instructions to further investigate the possibility of erecting a suitable Memorial and report back at the next annual Town Meeting.

### **Report of The Revaluation Study Committee**

In accordance with Article 85 of the adjourned Town Meeting of March 25, 1957, the committee, appointed by Moderator John F. Curran, and having as its members, Manfred Zurndorfer, Donald F. Phillips and Michael J. DeCesare, respectfully submits this report regarding "The advisability of revaluing the real estate and land values of the Town of Milford."

It is essential that the definition and aim of a Tax Equalization and Revaluation Survey be given. In general use, the term equalization refers to any process of adjusting local property valuations to some uniform standard of value so as to make possible precise and fair comparisons of valuation. An objective scientific revaluation survey should encourage sounder assessing practices such as will tend to promote the equitable valuation of all taxable real and personal property and offers the town a standard system of assessing that will assure (a) adequate maps for assessment purposes, (b)

detailed and accurate records of assessed property and (c) the equitable valuation of individual properties in accordance with uniform standards.

Through the years assessment inequities creep into the taxing situation of any given city or town. It is only fair that the home owner, the business man, the manufacturer—all who pay taxes to enable the local government to maintain the necessary services—are entitled to equitable assessments. Thus, the undertaking of a revaluation survey should be had with only one thought in mind—namely, to correct inequalities. It should not be used as a device to drop the tax rate, to raise revenue or ease any financial problems of the town. Simply stated, a revaluation survey, which is done objectively, scientifically and expertly should give everyone a fair share of the tax load.

It might be appropriate at this time to make the following quotation from an article on municipal revaluation in the 1956 edition, page 27 of the Massachusetts Municipal Manual prepared under the supervision of the Bureau of Public Administration of Boston University.

“ . . . A recent questionnaire returned by the assessors of twenty-four of the revalued municipalities indicates that in almost every case the appraisal methods used in the revaluations have since been maintained. Without exception, these assessors express satisfaction with the revaluation results. Much of this satisfaction no doubt results from the fact that modern valuation methods tend to impersonalize the assessing process and to reduce the element of personal judgment to a minimum.

The effect of revaluations on total assessments and, therefore, on tax rates have been varied, depending on the level of prior valuations and on the base year selected for the calculations of replacement costs as well as the percentage applied in many cases to reduce the appraised value to a predetermined level of assessment.

Although perfect results have never been claimed for any system of assessment, there can be little question but that recent professional reappraisal in Massachusetts municipalities have reduced inequities in individual assessments to a reasonable minimum . . .”

. . . . "Apart from the professionally reassessed communities, a number of other Massachusetts cities and towns are known to be using sound assessment techniques and in some cases appear, on the basis of statistical tests, to have produced results comparable with those of outside reappraisals . . . ."

The records of the local Board of Assessors of the Town of Milford are inadequate. There are sets of maps on hand, prepared by a W.P.A. project and these maps, have proved of some value to the Board; however, the maps are not precise enough. In addition to these maps there are individual plot plans on the newer developments. There is no uniformity in these plans.

There are cards prepared for each parcel of property. The information on these cards especially as to the older parcels of property are meager indeed. The Board has prepared a much more detailed card on the more recently built homes. These cards with detailed description of the property number approximately 200-300, out of a total number of 5,000.

Since this question of revaluation is a very serious and far reaching one, it is of prime importance that the approach be a positive one and not a negative approach so common in many of our municipal undertakings in which decisions of this sort have to be made. Consequently, during the coming year the whole broad question should be probed and intelligently discussed in general sessions which should be open to the public and at which experts or those persons familiar with municipal revaluations could be asked to attend. It is also hoped that some or all of the Service organizations in the Town could plan to have a revaluation discussion at their dinner meetings.

Having visited some of the towns who have had revaluation surveys and having observed the results derived therefrom, the Committee recommends that this study be continued for the ensuing year and that the Committee be increased to include three members from the Finance Committee and one Town Meeting member from each of the precincts; these additional members to be appointed by the Moderator.

The Committee is most appreciative of the opportunity to render some small service to the Town and it is hopeful that this report

will prove of some help in making our Town a happier and economically more healthy town in which to live.

Respectfully submitted,

MICHAEL J. DeCESARE  
MANFRED ZURNDORFER  
DONALD F. PHILLIPS

Voted: That the report be accepted and recommendations be carried out to increase the committee as requested in the report.

Voted: That the reports of all Town Officers and Committees of said town be accepted.

ARTICLE 2. Voted: That the town vote to receive the report of the Finance Committee and that the Moderator inquire if any voter wishes to consider any item separately. Any voter who so wishes shall ask the Moderator to remove this item from the report and when this has been done, that the town vote to raise and appropriate the amounts recommended by the Finance Committee. The meeting shall then consider the items to which objection has been made by taking up each item individually.

Milford, June 16th, 1958

The meeting was called to order by Moderator Curran at 8 P. M.

The Monitors reported 120 persons present, a sufficient number for a quorum. The Town Clerk read the warrant and the officers' return.

At this time a resolution was read by Michael DeCesare:

**Resolution**

WHEREAS, Almighty God, in His infinite wisdom, has deigned to summon John J. Barlow, His servant, to his eternal reward and repose on May 27th, 1958.

WHEREAS, John J. Barlow by his membership in this group here assembled, the Tax Revaluation Study Committee and other civic, fraternal and religious groups demonstrated a true spirit of public interest and realization of his civic duties,

WHEREAS, his passing is deeply mourned by his many friends in this Community where he was well known and esteemed.

THEREFORE BE IT RESOLVED, that we the Town Meeting Members of Milford offer to his beloved wife and daughter our sincere expression of sympathy and request that the business of this

meeting be suspended and that the members thereof stand in prayer and silent tribute to his memory, and

BE IT FURTHER RESOLVED, that his wife be presented a copy of these resolutions and that a copy be inserted in the records of the next Annual Town Report.

MICHAEL J. DeCESARE

Under Article 1—Reports of Committees, Mr. Mancini asked for a five minute recess to fill the vacancy in Precinct 3. Stephen Laczensky, 57 Depot Street, was elected until March.

Paul Lally gave a verbal report for the Finance Committee.

William F. Fitzpatrick, chairman of the committee to study the advisability of building a school in Precinct 3 area, gave a verbal report.

Article 2. It was moved and seconded that the Town appropriate the sum of \$62,168.96 for planning, constructing and equipping a four (4) room addition to the elementary school now in construction at the Town Park, and that to meet said appropriation the sum of \$37,168.96 be transferred from the Claffin School-Fire Loss Account, and that the sum of \$25,000.00 be transferred from available funds in the hands of the treasury.

Americo Mancini requested a secret ballot.

Luigi Grillo requested a secret ballot.

Henry R. Acquafresca requested a secret ballot.

Francis Byron requested a secret ballot.

John E. Murphy requested a secret ballot.

Anthony A. Grillo requested a secret ballot.

Victor G. Casasanta requested a secret ballot.

It was moved the previous question. Moderator Curran appointed the following persons as Assistant Monitors:

Precinct 1, John O'Brien; Precinct 2, John Gandolfi; Precinct 3, Stephen Laczenski; Precinct 4, James J. Curley; Precinct 5, Charles A. McGowan; at large, Marco A. Balzarini.

Moderator Curran appointed the following as Tellers: John L. Moschilli, Emilio A. Pighetti, Albert Luby and Richard P. Ray.

The result of the ballot was announced by Moderator Curran. 87 persons voted in the affirmative and 52 in the negative and it was

Voted: That the Town appropriate the sum of \$62,168.96 for planning, constructing and equipping a four (4) room addition to the elementary school now in construction at the Town Park, and that to meet said appropriation the sum of \$37,168.96 be transferred from the Claflin School Fire Loss Account, and that the sum of \$25,000.00 be transferred from available funds in the hands of the treasury.

87 voted in affirmative and 52 in the negative.

Article 3. Voted: That the School Building Committee be authorized and empowered to enter into all contracts and agreements necessary for planning, constructing and furnishing the four (4) room addition to the new elementary school now in construction at the Town Park.

Vote for reconsideration of Article 2 lost by voice vote.

Article 4. Voted: To pass over the article.

Article 5. It was moved and seconded that the Town By-Laws be amended by adding thereto the following By-Laws:

Town Counsel Compagnone asked unanimous consent to dispense with the reading of the Booklet of Plumbing Laws and it was so voted.

A motion was made and seconded to pass over the article. A standing vote was taken and 23 having voted in favor and 82 voted as opposed, the motion to "pass over" was lost.

It was moved and seconded that the motion before the house be placed on the table and it was so voted.

It was moved and seconded that the Board of Health, in agreement with the Master Plumbers, be instructed to bring into our next meeting or our annual meeting Rules and Regulations for adoption and it was so voted.

Article 6. Voted: To pass over the article.

Article 7. Voted: That the Town appropriate by transfer from the Fire Loss-Claflin School Account the sum of \$1,366.34 for

the purpose of defraying all expenses incidental to the adjustment of the fire loss at the Claflin School, in the year 1957, said money to be expended by the School Committee.

Voice vote unanimous.

Article 8. Voted: That the Town vote to transfer the sum of six thousand (\$6,000.00) dollars from the Excess and Deficiency Account to the Snow Removal Account of the Highway Department.

It was moved and seconded to dissolve the warrant.

The warrant was dissolved at 9:47 P. M.

This department on August 3, 1958 mourned the loss of Captain Aubrey Allen, a loyal, efficient and conscientious member of this department for many years. We have lost a most valuable fire fighter as a result of his untimely death and you, the Citizens of Milford, have lost a faithful servant and employee.

Respectfully submitted,

JOHN F. ADAMS,

# **Report of the Tree Warden and Insect Pest Control Superintendent**

To the Honorable Board of Selectmen and the  
Citizens of the Town of Milford:

I herewith submit my annual report on the planting, care and removal of trees; removal of brush, the insect pest control program and the dutch elm disease control program for the year 1958.

During the year I cut down and disposed of 17 maples that had died as a result of the drought of the previous year and also removed the stumps of them. Numerous other trees were trimmed during the year.

Under the Dutch Elm Disease control program I cut down and disposed of 105 elm trees that had been condemned as having the disease in 1957. The State sent a crew in for 10 days to help me in the removal of these trees at a cost to the State of \$638.48. During 1958 I have 74 elms that have been proven to have the disease and of these I have taken down and disposed of 11 and I have topped 21 in preparation of taking them down when the State crew comes to assist me in taking them down in 1959.

During the week of October 23, 1958 I bought and planted 4 schwelder and 23 Norway maple trees in various parts of the Town and I wish to recommend that more money be provided to plant more trees in 1959 and future years as our planting of new trees are a very small percentage of the number I have been forced to remove during the last few years.

During the week of June 5th, I had the outlying districts of the Town sprayed by airplane and the intown section sprayed by a hydraulic sprayer. I could not do as much as I would have liked to have done since my appropriation for this purpose was cut \$500.00 from the previous year.

Brush was cut and disposed of in the outlying districts of the Town and again because of a cut in my budget of \$600.00 it was necessary to overlook much work in this program that needed it.

My budget for the care, removing and planting of trees was also cut in 1958 by \$223.60.

I wish at this time to express my appreciation to the other departments of the Town for their co-operation during the year of 1958.

Respectfully submitted,

MATTHEW P. ANDREANO,

*Tree Warden and Insect  
Pest Control Supt.*

# Report of the Board of Sewer Commissioners

To the Citizens of Milford:

We respectfully submit our report on operation, maintenance and new construction work of the Town Sewerage System for the year 1958.

## Collecting System:

Existing sewer lines have received periodic flushing and cleaning as required. Due to heavy Spring and wet weather sewage flows the main sewers of the collecting system have overflowed at particular locations for limited periods. Some manholes have been raised to temporarily overcome some of this overflow, but studies are being made to determine the best method of increasing the main sewer capacity to the treatment plant.

Street sewer extensions constructed in 1958 were as follows:—

Location	Size	Length
South Central Street	8" A.C.	600 ft.
Cunniff Avenue	8" A.C.	1105 ft.
Highland Avenue	8" A.C.	855 ft.
Congress Street	8" A.C.	390 ft.
Purchase Street	8" A.C.	1510 ft.
Total		4460 ft. = 0.845 miles
Previously constructed to 1958		32.484 miles
Total Length		33.329 miles

## Service Connections:

A new file card reporting system for service connection permits and record of installation was put into effect this year with favorable results. Sixty (60) additional services were installed, bringing the total of 2619 services.

## Pumping Stations:

No major work was done on pumping stations, except the routine maintenance.

**Treatment Plant:**

Major reconstruction of the treatment plant, after some delay, was started in October and work is proceeding rapidly, with about 42% completion by the end of the year, helped by having the mechanical equipment on hand for installation as the construction proceeds. It is expected that the major new plant units will be put into operation during the early summer of 1959. Primary treatment continues at the plant during reconstruction.

Completion of reconstruction will result in increased capacity and more complete treatment and the reduction in plant odors.

Respectfully submitted,

GUIDO SABATINELLI  
ROBERT M. BICKFORD  
JOSEPH L. DELUCA

## **Report of Animal Inspector**

December 29, 1958

To the Honorable Board of Selectmen  
Milford Town Hall  
Milford, Massachusetts

Gentlemen:

I hereby submit my report as Animal Inspector for the Town of Milford for the year ending December 31, 1958.

There were 75 cases of dogs investigated and quarantined for having bitten people. However, no signs of Rabies was reported in any of the cases.

As required for the Commonwealth of Massachusetts, and in accordance with Section 19, Chapter 129 of General Laws all barns and livestock in the Town were inspected and found to be satisfactory.

In conclusion I wish to thank the Board of Health and the citizens of Milford for their cooperation during 1958.

Respectfully submitted,

DR. JOSEPH C. FABBRICOTTI,

*Animal Inspector*

## Report of Police Department

January 8, 1959

To the Honorable Board of Selectmen  
Town Hall,  
Milford, Massachusetts

Gentlemen:—

It is my pleasure to submit the following report of arrests and other duties, performed by your Police Department during 1958.

Sgt. John J. McGrath, Director of the Auxiliary Police, has continued the fine progress with this Unit for the year 1958. They are a most essential unit in an emergency for without their assistance we in the Police Department would be sorely taxed.

Sgt. John J. McGrath and Patrolman Joseph E. Arcudi, Jr., were graduated from the Police Officers Training School, sponsored by the Massachusetts Chief's Association and connected with the State Police Training School at Framingham, Mass. Since the School has been operating we have had fourteen patrolmen graduated. We commend the School and hope to continue our policy of sending them to the School.

It is suggested that the Committee appointed by the Moderator for new quarters for the Police Department, be continued and that consideration be given to either the Park School or the former Highway Department Building on Spruce Street for conversion into a Police Station.

May we thank your Honorable Board and all Town Departments for the cooperation received during the past year.

Respectfully submitted,

WILLIAM F. FITZPATRICK,

*Chief of Police*

# Report of the Board of Health

To the Honorable Board of Selectmen and the  
Citizens of the Town of Milford:

Dr. Nicholas J. Capece was re-elected Chairman of the Board for the year at the organization meeting on March 6, 1958. Other members of the Board are Frank Calzone and Harris Tredeau.

The appointments were as follows: Clerk and Agent, Benjamin N. Colabello; Nurse, Alice Fitzpatrick; Physician, Eugene E. Allen; Dentist, Dr. Joseph C. MacLellan; Plumbing Inspector, Chas. J. Ferrante; and John F. Power, additional Plumbing Inspector; Burial Agent, Oscar Ayotte; Meat and Slaughtering Inspectors, Benjamin N. Colabello and Philip Roy; Emergency Meat and Slaughtering Inspector, Alexander Iannitelli; Person to Receive and Report Contagious Diseases, Benjamin N. Colabello.

Contract for the collection of garbage was awarded to James Ferrucci for one year for \$4,000.00.

Under the new regulations regarding collections of Garbage, beginning January 1, 1954, the collected material must be cooked before feeding to hogs. We are complying with the regulations, but find that the garbage collection costs have risen.

The Rodent control program at the town dump is being carried out so that an expert exterminator conducting the work is producing satisfactory results.

The Board of Health is working on the feasibility and advisability of fluoridation of the local water supply as a means of helping reduce tooth decay. An article will be inserted in the Warrant to determine public sentiment.

With the co-operation of Chris. J. Lynch, and the State Department the Local Board of Health is bending all efforts to bring up to date the local plumbing laws and regulations.

In regards to the Air Pollution the State Department of Sanitation is co-operating with us, and the local Industrial and Commercial houses, to abate, if not eliminate all air pollution problems.

Central Mass. Associated Boards of Health, held their meeting at the John C. Lynch auditorium, Milford High School, on Wednesday, November 19, 1958. The subject for presentation was Food and Restaurant Sanitation. The speakers were Mr. V. Karian and Mr. Cushman of the State Department.

Our Town had no Polio Cases reported in 1958.

## Report of Park Commissioners

To the Honorable Board of Selectmen  
and the Citizens of Milford:

We hereby submit our annual report for 1958 with financial report appended.

A new basketball court was put in at Prospect Heights. This has made a good play area for the youngsters in this section of Town. Town Park cannot accommodate all the youngsters as it is used more than ever now.

The comfort station in Town Park had new roof, gutters and entrance repaired which was badly needed. This year, we hope to

plant new trees in Town Park to replace the ones which were cut down this year, due to disease and damage done by the storms.

The Playgrounds had another successful season under the supervision of Mr. Benjamin F. Consoletti with intra-playground ball being played and finishing the season with the annual trip to Purgatory.

We thank all the various departments for their help and cooperation throughout the year.

Respectfully submitted,

ANGELO P. FERRARIO  
PETER S. FARESE  
GIACCHINO PAGANELLI

## Welfare Physician's Report

Board of Public Welfare  
Town Hall  
Milford, Mass.

Gentlemen:

I respectfully wish to submit the following report on my activities as Town Physician for the period from January through December, 1958.

During this past year, I have treated patients on General Welfare in the various rest homes in town, in their homes and in my office.

Throughout the past year, I made an average of six calls weekly to the Milford Medical Home which during 1958 was filled to capacity. The Medical Home continues to fulfill an urgent need for the elderly of our community who require nursing home care.

In this connection, I am very pleased to report that through the cooperation of the entire staff and of visiting physicians the Medical Home has been operated with a maximum of efficiency. The patients have received the best possible care. I am deeply grateful to the nursing staff and the other personnel who have done their work with enthusiasm and devotion.

I wish, also, to express my appreciation for the pleasant relations and cooperation extended to me by Mr. James Ahearn, Mr. Emilio Pighetti, the members of the Welfare Board and to the entire personnel of the Board of Public Welfare.

Very truly yours,  
(Signed) G. S. NOSSIFF, M.D.

Respectfully submitted,  
CHARLES H. RIZOLI, *Chairman*  
HENRY J. PILLARELLA  
JOSEPH B. BACCHIOCCHI

JAMES L. AHEARN, *Welfare Agent*

**REPORT OF THE SUPERINTENDENT OF SCHOOLS  
TO THE SCHOOL COMMITTEE AND THE CITIZENS  
OF THE TOWN OF MILFORD**

Herewith is respectfully submitted the eightieth annual report of the School Department and my twelfth as Superintendent of Schools.

**Program**

The opening of the new elementary school building presently under construction will enable us to present to a large segment of our elementary age pupil population an improved offering in our program.

The occupancy and operation of the new building will fill a sizeable void in providing for many pupils certain instructional facilities and spaces denied to pupils in the past.

At the upper level of our school system (grade eight through grade twelve), your School Committee has shown a profound interest in the improvements of offerings in mathematics and the sciences during the previous four or five years. This action has proven to be a visionary one as is indicated by the national interest being shown in these areas by all types of leaders of our country.

However, there still remains much more to be done and it is planned to the 1959 budget to seek funds to further improve our offerings, not only in the fields of chemistry, physics, biology and mathematics, but in general science, guidance, audio-visual education and foreign languages as well.

Intensive studies which have been made by personnel of the school department include some structural renovations, new spaces, additional equipment, furnishings, instructional materials and techniques, all of which will enhance the teaching of subjects mentioned in the preceding paragraph.

The recommendations which emanated from these studies have been approved by the School Committee, and as they develop into reality the program of studies will be proportionately refined and enriched.

The aspects of our program dealing with adults have been continued and are flourishing in an encouragingly vigorous manner. These programs include Adult Vocational Arts classes, the Equivalency Certificate Program classes, University Extension classes and Adult Civic Education classes.

The educational needs of the adult population of our community are being satisfied quite adequately by the variety and quality of our offering in the School Department.

Our program is constantly and continually being studied by personnel of the department, and the School Committee has been particularly interested, striving to improve all phases of our curriculum consistent with facilities and resources available or reasonably attainable.

## Plant

During 1958, ground was broken and construction started on the new elementary school building at the Town Park site.

The completion and occupancy of this excellent facility will constitute a milestone in the Milford School Department long to be remembered. In my opinion, the new building will be the most significant event of modern years in the Milford schools.

The building will house twenty classrooms and will serve the so-called "Town Park" area as well as the area formerly served by the Claflin School building which was damaged by fire in November of 1957.

The townspeople declined to repair the Claflin building and approved a plan to enlarge the new school by adding four classrooms to the sixteen classrooms originally planned.

In the very near future, all of these children from the Park area and the Claflin area will be housed in the new building, which compares favorably, in structural quality and functioning facilities, to any elementary grade building in our area.

Pleased as I am with the prospect of this new schoolhouse and its impact on the future of our community educationally, let me sound a word of caution to our townspeople that it does not solve completely our school housing problems.

The so-called South End area of our town is still in serious need of improved school buildings.

Our thoughts must turn to this problem in the South End just as soon as the building on the Town Park is completed and occupied.

The South Grammar School ("Brick School") is a building of questionable soundness for mere housing of pupils, not to mention its inadequacy to provide a reasonably good elementary grade educational program.

In consideration of the age of the building and its structural weaknesses, I have recommended that this building be abandoned for school use as soon as space to house the children elsewhere becomes available.

### **Gifts — 1958**

I wish to extend my sincere appreciation to Mr. Allen Dudley, who has donated to the Milford High School an "Oudin" Coil for making and demonstrating high voltage electricity. Mr. Dudley's gift was given in memory of Lt. Albert E. McKinley.

Sincere appreciation is also extended to the Class of 1933 for its gift of a table and chair for the Milford High School public-address system.

### **Repairs to Plant — 1958**

In keeping with a long range policy, several of our other buildings are being reconditioned and rehabilitated. This year our attention was focused on the Plains School, where new flooring was installed throughout the building, new plumbing facilities installed in the girls' toilet rooms and new fluorescent lighting placed in the classrooms.

It is planned to continue with our efforts to recondition this building so that it may continue to serve for many years to come.

At the Purchase School, the exterior of the building and the fence surrounding the school yard were painted.

The exterior of the Chapin Street School and the schoolyard fence were painted.

The flooring at the West Street School was reinforced and new supports were installed. The exterior of the building and the schoolyard fence were also painted.

New plumbing facilities were installed in the girls' and boys' toilet rooms at the Spruce Street School.

At the Milford High School, new lockers were installed and the firebrick in the boilers was replaced.

In 1959, it is planned to continue the complete rehabilitation of several buildings, particularly the Plains, Oliver and Chapin Schools.

## Personnel

Again, the School Department was able to fill the needs of the teaching force by engaging well qualified teachers who give promise of meeting with success in their duties.

The School Committee is to be congratulated for their profound interest in bringing to our teaching force personnel of high caliber.

During 1958, the following additions and changes were effected:

### **New Appointments:**

Mr. Anthony Cimino, as teacher of grade 6, South Grammar School.

Mrs. Doris Driscoll, as teacher of grade 2, High School.

Mr. Joseph Hannigan, as teacher in Science Department, Milford High School.

Miss Marcella Malinowski, as teacher of grade 5, High School.

Mr. Nicholas Pacella, as teacher of grade 6, Stacy Junior High School.

Mrs. Dolores Vayo, as teacher of grade 3, Oliver School.

### **New Assignments:**

Miss Rosalba Allegrezza, from teacher of grade 2, High School, to Remedial Reading Supervisor.

Mrs. Rita Bishop, from Stacy School, grade 6, to Stacy School, grade 7.

Mrs. Inez Davoren, from Stacy School, grade 7, to Stacy School, grade 8.

Mr. Irwin Macklow, from South Grammar School, grade 6 to Stacy School, grade 6.

Miss Sadie O'Connell, teacher of English, to Head of English Department of Milford High School.

Miss Madeline Pacella, from High School, grade 5, to Foreign Language Department, Milford High School.

Mrs. Regina Stare, from Stacy School, grade 8, to English Department, Milford High School.

Mr. Anthony Villani, teacher of Foreign Languages, to Head of Foreign Language Department, Milford High School.

**Leave of Absence:**

Miss Carylann Doherty, teacher of grade 3, Park School; to teach in Germany.

**Resignations:**

Miss Margaret M. Cochran, teacher of grade 2 and Principal of Spruce Street School; retired.

Dr. Marion A. Ryan, Head of English Department, Milford High School; retired.

Mrs. Antanet Shaw, teacher of Foreign Languages, Milford High School; to accept teaching position in New York State.

Miss Joan T. Smith, Remedial Reading Supervisor, to accept supervisory position in Framingham, Massachusetts.

**Resolutions**

WHEREAS, after 35 years of devoted, loyal, and efficient service as teacher and principal of the Plains School, the career of Miss Mary F. Ranahan was, in the providence of God, shortened through a disability retirement; and

WHEREAS, the influence of her teaching extended also to the evening Americanization classes; and

WHEREAS, two generations of Milfordians were guided by her high ideals and standards of righteousness; and

WHEREAS, after 17 years of progressive invalidism and patient suffering, Mary F. Ranahan was called home to God on September 15, 1958;

THEREFORE, BE IT RESOLVED that the Milford Teachers Association extend sympathy to her family on the occasion of her death and with a deep and abiding faith in the infinite wisdom and mercy

of the Divine Teacher be mindful of His promise: *"Those who instruct others unto justice shall shine as stars for all eternity."*

BE IT FURTHER RESOLVED that a copy of these resolutions be inscribed upon the records of the Milford Teachers Association, presented to her family, inserted in the Milford Town Report, and printed in the Massachusetts Teacher and in the Milford Daily News.

TUNE: *Auld Lang Syne*

Four years have crept into the past  
And now we bid farewell,  
But mem'ries of these golden days  
Deep in our hearts will dwell.

With hearts content, we now embark  
Upon life's stormy sea;  
Dear God, protect and keep thy children  
From all sorrow free.

CHORUS:

Although our high school days have flown,  
They've left us friendly ties.  
One lesson, too, we know is true:  
In ourselves our future lies.

## Annual Report of the Board of Selectmen

The Board of Selectmen, Anthony E. Allegrezza, Marco A. Balzarini and John P. Pyne, held weekly scheduled meetings on Monday evenings throughout the year. Representatives of the press also attended these meetings in keeping with our desire that the public be informed on all action taken. Numerous other hearings, meetings and trips were also conducted during the year.

The year 1958 was a remarkable year for the town because of the several projects of capital construction which were either started or completed. On the Town Park we started the construction of a 16 room school which was, because of the fire at the Claflin School, later expanded to 20 rooms. This structure complete with modern facilities will adequately house the school child of the future who will have to be educated to meet the challenges of the "space age." This building will house about one-quarter of the total number of children enrolled in our public schools.

The amount, thus far, appropriated for the planning, construction, furnishing and equipping of this school is \$837,000.00, most of which has been bonded for the next 20 years.

Also in construction at the present time is an addition to our sewage treatment plant. When completed, this plant will give the town for many years to come a most modern and efficient treatment plant capable of handling not only our present requirements, but the requirements of normal future expansion.

A total of \$260,000.00 was appropriated for this job, all of which was bonded for twenty years. In addition the federal government has appropriated the sum of \$105,000.00.

Completed in the past year was a 50 car parking facility in the rear of the Casey and Ring & Welch Blocks just off Main Street. The ease with which motorists may enter and exit from this parking lot is a credit, indeed, to the persons who planned it. In addition to alleviating the Main Street parking problem in the peak hours, this facility will tend to stabilize real estate values on the Main Street and thus benefit the town as a whole.

This project cost roughly \$70,000.00 and was bonded over a period of 14 years. It is hoped that this project will pay for itself.

In addition the annual town meeting last year appropriated out of cash the sum of \$44,000.00 for new sewer construction. There is also authority for borrowing the sum of \$100,000.00 for the Charles River flood control project which the Board is anxious to get started as soon as we receive land-damage releases from landowners whose property will be directly enhanced in value as a result of our expenditure. To date we have not received all these releases and the Department of Waterways for the Commonwealth has not been able to obtain the same.

In the past year we completed an extensive job of remodeling part of the interior of the first floor of the Town Hall, an undertaking long overdue. The cost for this project was about \$6,300.00, all taken from available cash.

We shall recommend to the next annual Town Meeting that this job be completed.

Your Board wishes to point out that at this writing the total bonded indebtedness of the town is approaching the \$1,250,000.00 mark and that in order to meet this obligation the tax rate will rise substantially. We do not mean to imply that the financial condition of the town is bad or that the projects undertaken were unnecessary. On the contrary, the town's financial condition is good and the projects mentioned above were long overdue.

What is impressed upon us is that this program of construction and major repair was started when the tax rate was in the seventies when for a decade after World War II, when the tax rate was in the forties and the low fifties, we did very little construction, reconstruction, replacement, major repairs and improvement of schools, public buildings and facilities. It is also interesting to note that in the decade mentioned large sums of money, sometimes as high as \$90,000.00, were annually transferred from the excess and deficiency fund to further lower the tax rate, which was already one of the lowest in the state.

The day of the \$40.00 tax rate has gone perhaps never to return. Now we are faced with a substantial capital budget program and greater interest in new construction and major repair. Unless there is some sort of relief in the governor's sales tax program we will be faced not only with the problem of higher taxes but a curtailment of needed repairs and replacement. We face yet the problem of higher costs and the problem of achieving a balance between our operating budget and our capital improvement program. This balance will require understanding, coordination, and cooperation among the key groups in the planning and financial fields, among the department heads, the members of other boards and the town meeting.

In closing we wish to extend our thanks to all—citizen and official—who assisted us in the administration of the affairs of the office of Selectmen.

Respectfully submitted,

ANTHONY E. ALLEGREZZA  
MARCO A. BALZARINI  
JOHN P. PYNE

## Town Counsel's Report

To the Honorable Board of Selectmen:  
Gentlemen:

In the past year I have written many opinions and given much assistance to the various town officials and boards. I have also disposed of several claims for personal injuries incurred because of defective sidewalks or highways. There are at present nine (9) land damage suits pending against the town because of land takings in the reconstruction of Dilla Street, ten (10) personal injury or property damage claims and two (2) petitions for abatement of real estate taxes before the Appellate Tax Board of the Commonwealth.

I consider most of the above claims minor in nature and I believe that most of them can be settled if the claimants are reasonable in their demands. If not I recommend that each case be tried before a jury.

Last year I also caused three suits to be brought for the collection of unpaid real estate taxes. One of these suits was tried in the Superior Court in Worcester.

In accordance with your directions I have completed the recodification of the By-Laws of the town but have not gone ahead with printing them because of the pending action on the plumbing regulations. I felt that the by-law pamphlet would be incomplete without the plumbing regulations and I consider them important enough for inclusion.

I recommend that the town undertake to recodify the zoning regulations and that someone be retained to bring our zoning map up to date.

In conclusion I wish to thank all those town officials and citizens who assisted me in carrying out the functions of the office of Town Counsel.

Respectfully submitted,

ANTHONY A. COMPAGNONE,

*Town Counsel*

# Town Accountant's Report

To the Honorable Board of Selectmen:

Herewith I submit my annual report of the Financial transactions of the Town of Milford for the year ending December 31, 1958.

Included is a detailed report of the Receipts from all sources of Income, a detailed report of the Expenditures of each Department and Account, a Recapitulation and Estimate table showing the Appropriations, Receipts and Transfers, Expenditures and Balance—December 31, 1958, and the estimated cost to run various Departments as submitted by them for the coming year.

I wish to thank all the Departments for their cooperation during the past year.

Respectfully submitted,

MICHAEL J. HANNIGAN,  
*Town Accountant*
